Points of note:

This is Red Light Go's debut album; previously they released the critically acclaimed 'Was It You' EP. 'Take the Picture' was released as a digital download by Chromium Records and 'Writing on the Wall' released for download by Moyst Records

Members of Red Light Go have previously been in bands such as 'KUTE', 'Cosmic Jive', 'Skintrade', 'Terry Tinsel', 'Oracle Unleashed' and 'Marvy'.

The "Red Light Go" album was recorded in and around Bath by producer Leo Nine. They avoided the constraints of major recording studios and took the DIY approach. The album has been released on their own Magic BOX Record label. A deal has been established with the Itunes music store and various other digital distribution companies

Red Light Go recently opened the infamous Ashton Court festival in Bristol ahead of Simple Minds
